Dear Prospective Member,

Thank you for your interest in Flossmoor Country Club! Enclosed you will find membership information and special promotions for 2018. This is a great opportunity for you to enjoy all the benefits of country club membership by taking advantage of our fantastic membership offerings.

In 2009 a fully renovated golf course was introduced to our members. Golf Course Architect Ray Hearn was the leader of this three year project and worked in conjunction with the Club's project committee. By building on its traditional style and capitalizing on its historic value, a refreshed and more challenging course was born. Any golfer who has played a round here will tell you it has earned its reputation as a true championship course. As a result, we were named "Renovation of the Year 2009" by GOLF Magazine.

Along with this world-class golf course, we have a newly constructed pool house complete with snack shop, poolside bar, and a multi-purpose room that is GREAT for parties! We also offer golf, swimming, and tennis programs for all ages. Programs include a top-rated Junior Golf Program that follows the U.S. Kids golf curriculum taught by PGA Professionals, two different Ladies Leagues, a newly developed Men's League, and Tennis Leagues taught by our USPTA pro.

In 2015, Flossmoor Country Club was recognized as the "Best Country Club" by the Daily Southtown Star!

There are a number of different membership options so take a moment to decide which one is best for you and call me with any questions. I would be happy to set up a tour for you at your convenience. I also invite you to take a look at our website and/or Facebook page where you can find more information about all that Flossmoor Country Club has to offer.

Best regards,

Mark Swinford, PGA

2018 Membership Highlights

At FCC, we understand that realizing the true private country club experience depends upon deep relationships that develop over time. Golf friendships are built through day-to-day play and tournament competition over many years resulting in thrilling and challenging competition, always being able to “get a game”, winter golf trips, and much more. The social interaction among Members and their families often develops relationships that can last generations. We consider only those Members who understand and value the same.
